XT-CABINET

The World's First Smart Bathroom Cabinet

全球首款智能浴室柜

## Wisdom for beauty 因智而来 为美而生

Combining design inspiration and cutting-edge technology, AXENT's XT-CABINET offers a fashionable and futuristic bathroom experience by introducing smart home technology into a modern, elegant bathroom vanity cabinet. The smart XT-CABINET incorporates a variety of personalized digital facial recognition, cosmetic recommendation, and structural customization features. Each XT-CABINET is offered in a variety of finishes to suit your bathroom's fashion-forward and modern design needs.

XT-CABINET 智能浴室柜融合智能科技，以结构主义的方式对现代浴室体验进行了全新表达，让传统浴室柜走向智能化，模块化和个性化，为您带来更出彩的美妆体验，更自由的卫浴搭配，更时尚的浴室风范。

XT-CABINET reserves space for filtered water supply, and makes it possible to provide cleaner water for washing, tooth brushing and makeup.

AXENT introduces the first recessed smart faucet equipped with spacial recognition to subtly extend and enclose whenever you approach its sink basin.

## Purity beyond design 开启纯净之水，享受洁净之美

美丽身心需要自然之水的滋养。XT-CABINET专享纯净水通道，为刷牙、洗脸、化妆带来更加干净优质的水源，让深入清洁后的肌肤饱满莹润。首创嵌入式智能龙头，自动伸缩，每一次伸手感应、每一次隔空交互、每一次与水相遇都有不一样的感觉。

## Protect your skin in every detail 保护毛巾衣物，呵护娇嫩肌肤

Wet towels and clothing can easily breed bacteria which can cause a variety of skin and health problems. The XT-CABINET's drying module offers garment drying, sterilization and warming to remove harmful bacteria and protect your family.

潮湿的毛巾和小衣物容易滋生细菌、螨虫，引发各种各样的皮肤问题。XT-CABINET内嵌的烘干杀菌模块让您告别潮湿和细菌感染。一键智能烘干，集烘干、杀菌、保温为一体，让毛巾和小衣物时刻享受360度阳光般的强效杀菌，保护肌肤不受伤害。

# Protective space for your skincare products 给护肤品专属空间，让美丽持久保鲜

Girls invest a lot into skincare products. The XT-CABINET refrigerator module protects and organizes these investments with separated temperature control areas. Upper drawer for daily use. In this area, your skincare products are protected from temperature fluctuation and kept at 23°C. Lower drawer for stock-up. In this area, stocked products are kept fresh at 15°C.

生活精致的现代女性少不了琳琅满目的护肤品。XT-CABINET护肤品冷藏模块，独有双层分区设计，为您的水乳、面霜、精华、眼霜、面膜带来更加合理的收纳方式。日常使用区，23度恒温保存，无惧季节变换、昼夜温差。持久保鲜区，15度低温储存，打折季尽兴shopping，囤货无忧。

## Meet the true you with smart light 遇见智能化妆灯，邂逅X种真实自我

Illuminate yourself with a 100% customizable lighting with the XT-CA-BI-NET's three independent lighting paths. These collaborating lighting paths reduce facial shadows to simulate lighting for a candlelight dinner, a friend's party, or a business meeting.

不同场合需要不同装扮，似乎微不足道的化妆灯光，主宰了无数的美丽战场。智能化妆灯在光线设计上独树一帜，可以模拟出烛光晚餐、朋友聚会、商业谈判等多种场景的光线模式；上额、鼻区、下颏独立光路设计，有效减少脸部阴影区域，让您从容装扮，自信出场。

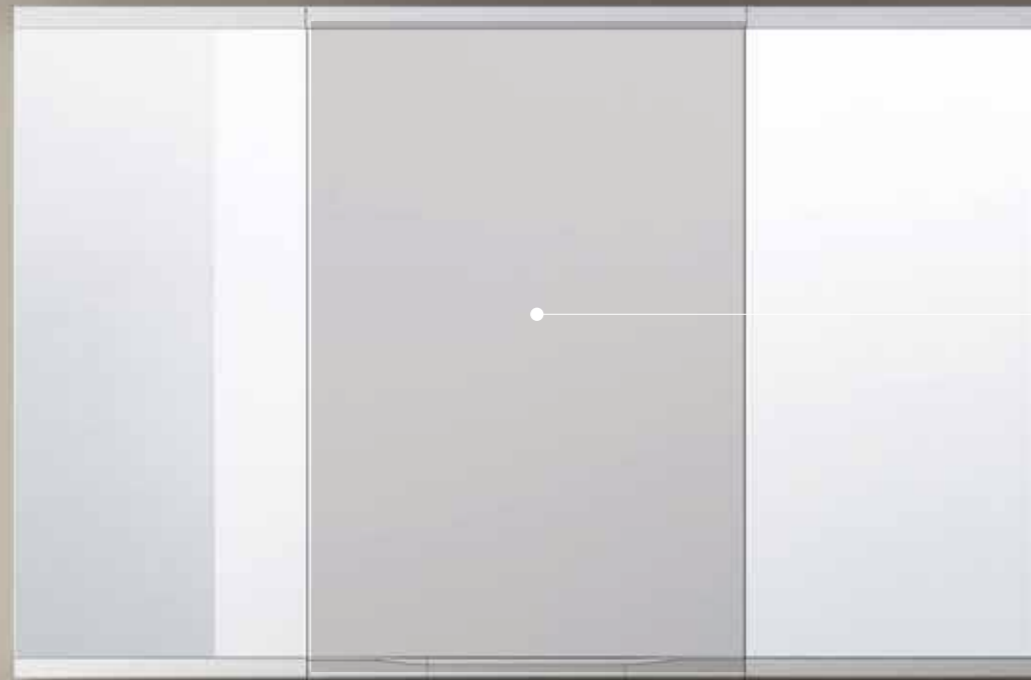

## In-home personal health and wellness advisor 是浴室镜，更是您的美丽健康顾问

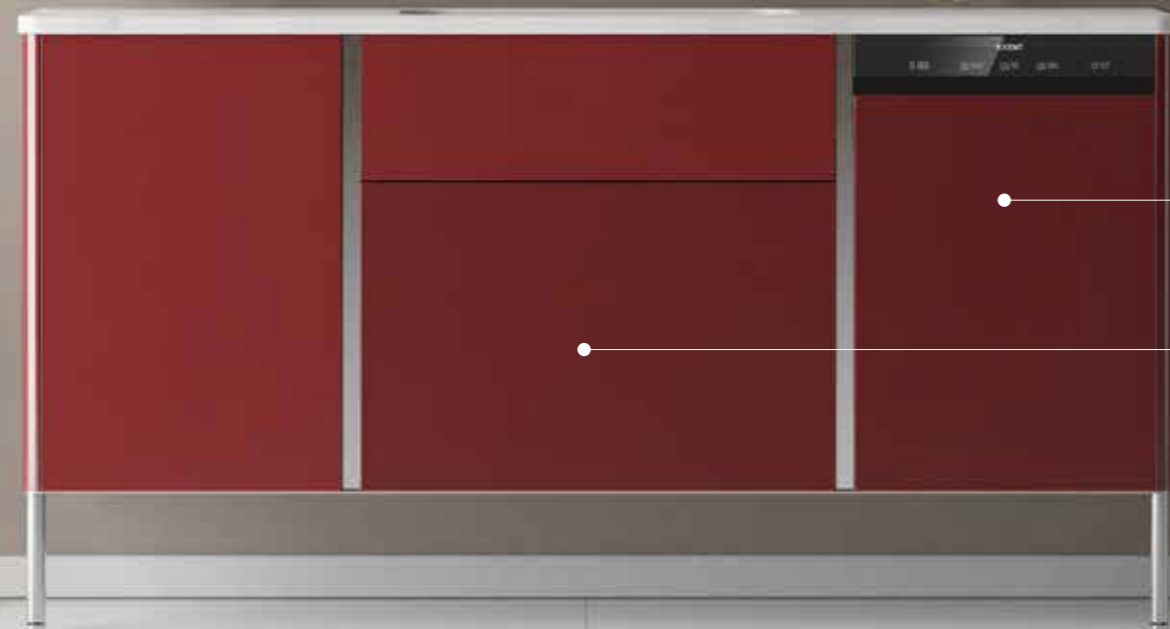

The XT-CABINET's mirror offers far more than your reflection. With the help of smart, facial recognizing technology, the XT-CABINET mirror monitors your skin and health for fitness, beauty and healthy tracking.

真正智慧的镜子，不会像魔镜那样天天赞美你，但却时刻关注和守护着你的健康与美丽，帮您检测皮肤状态，监测身体状况，为您提供及时的健身护肤指导。
